

慈溪市吉星电器有限公司
Cixi Gstar Electric Appliance Co., Ltd.

ELECTRIC BBQ GRILL

Gstar designs, develops and manufactures a multitude of small electric kitchen appliances. Our products include blenders, slicers, choppers, food processors, air fryers and air ovens. We also manufacture products for bars, restaurants and hotels, such as ice bucket, beverage dispenser, pitchers, slicers and graters.

In 2005, after MR JACKY REN graduated from China JILIANG University, he worked in NINGBO KINGSUN IMPORT AND EXPORT CO.,LTD as a salesman and sold the electric irons, washing machines, heaters etc. During that time, he found that these items were very hard to sell but with low profit.

In 2006, MR JACKY REN started to sell the TV shopping products such as sweepers, amazing blender, steam mop etc, and he found TV shopping was a great business for a new salesman to develop new customers and new markets.

In 2007, MR JACKY REN worked as a buying agent for Turkey BIM supermarkets. He sourced factories with superior quality, offered the best prices and made quality control of pre-production and during production for his customers. His loyalty, honesty, responsibility and hard working gained the trust and satisfaction, and highly praised by his customers.

In 2008 MR JACKY REN visited hsn home shopping base in florida which brought by boss of viatek latin lou ,the live tv shopping deeply shocked him ,Mr Lou taught Mr Ren no more copy, design and develop yourself and Mr Ren was deeply appreciated for his help , and have an idea about design and develop the items with own innovations.

In 2009, MR JACKY REN founded the factory of Cixi Gstar Electric Appliance Co., Ltd, who mainly designed and developed non-electric innovative TV shopping products with his own patent, such as spiralizer drum grater, iced pitcher and iced bowls. The products were very popular and sold all over the world, especially sold to world famous supermarkets, such as ALDI, SAM'S CLUB, BJS, MACY, MENARDS, BEDBATH BEYOUND, COSTCO etc.

In 2018, Gstar was moved in its own new factory, which occupies 10000 square meters and with building area 18000 square meters . From then, he has started to design and develop the electric products. Until now, there are totally 150 workers, 10 engineers in R&D department, and 10 persons in QC department. The electric products have been welcomed in many countries and gained a favorable reception from all customers.

In 2021, the product 3 IN 1 FOOD PROCESSOR was successfully sold 800Kpcs to Korean and Southeast market.

In 2022, Gstar's AIR OVENS and AIR FRYERS are hot sales all over the world, especially in Europe and South America.

In the up coming years ,we wish you and us to write the gstar new history together

We sincerely wish to maintain the long term business relationship with our regular customers. We warmly welcome new customers to join us and establish business relationship with us. We are very confident that we can make mutual benefits if you choose us.
